<b>Directorate</b>	Neighbourhoods & Housing
<b>Service Area</b>	Highways & Transportation
<b>Grade</b>	AP3
<b>Competency Level</b>	1
<b>Salary</b>	£24,027
<b>Job Type</b>	Hybrid
<b>Location</b>	Cunard Building
<b>Disclosure and barring service (DBS)</b>	Not applicable
<b>Job Evaluation Ref No</b>	N/A - Apprenticeship

## Job Purpose

A two-year fixed term apprenticeship undertaking an Associate Project Manager level 4 qualification, working in a supported environment to develop skills and knowledge

Provide technical support to the Delivery and Performance Office and the Major Highways Infrastructure Team. To support the team in implementing service improvements, through innovation, benchmarking, and best practice

## Directly Responsible For:

Not applicable

## Directly Responsible To:

Team Leader – Major Works – Commissioning & Project Delivery

## Main Areas of Responsibility:

- Support the monitoring and reporting of key highways targets and performance management processes, to ensure delivery of a high-quality service, focusing on improved service provision
- Support the team in delivering key Transportation and Highways service improvements, in particular support on implementing learning and innovation from benchmarking, best practice, and also the improvement projects and subsequent workstreams
- Support in the identification and review of new processes and procedures which will assist Transportation and Highways in contributing to the City achieving net zero carbon by 2030
- Support on the identification, development, and initiation, of key highways and transport infrastructure
- Assist with the liaison of all appropriate stakeholders by arranging meeting, taking minutes, updating documents etc
- Work with Project Engineers and appointed consultants as appropriate, potentially through a six-month placement, on rotation, with the consultants to better understand the client/ consultant relationship
- Support Engineers and Site Supervisors in checking the quality of highway works implemented on the ground, to ensure specifications are met by keeping accurate records of all issues raised

- Input into the management and monitoring of the Major Schemes and the wider Transportation Capital Programme
- Respond to enquiries via telephone, email, letter or in person, on highways related issues
- Provide highways design support and input into public realm, and public transport schemes
- Participate in all aspects of training and development including Liverpool City Councils Apprenticeship Programme which will include completion of the Associate Project Manager Level 4 Apprenticeship
- Use all learning opportunities to develop personal skills necessary to improve effectiveness, efficiency, and delivery of Service targets

### **Supervision and Management Responsibility:**

- No supervisory or line manager responsibility.

### **Budget and Financial Responsibility:**

- Being fully accountable for managing the council's resources well and complying with statutory requirements. This includes managing time, avoiding unnecessary waste, reuse and recycle resources to reduce personal impact.

### **Social Value Responsibility:**

- Drive for social value through all activities, ensuring wider social, economic and environmental benefits for the council, residents and communities.

## Physical Demands of the Job:

- This post will require you to be sitting for long periods of time and you may visit projects in adverse weather conditions across the City.

## Corporate Responsibility:

- Contribute to the delivery of the Council Plan.
- Delivering and promoting excellent customer service, externally and internally.
- Commitment to customer excellence by dealing with customer feedback, including complaints, and learning from feedback in the drive for continuous improvement.
- Making the council a great place to work, living the council's values, actively engaging in regular communications including team meetings, undertaking training as required and being responsible for managing own performance.
- Develop the City Council's commitment to equal opportunities and to promote non-discriminatory practices in all aspects of work undertaken.
- To ensure that all work functions are undertaken in accordance with health and safety legislation, codes of practice and the City Council's safety plan.

## Competency Framework:

We operate a competency framework, a set of core behaviours which define how we are expected to approach our work, how we perform in certain situations and how we treat each other. Each competency details the standards of behaviours and skills required by all staff and this in turn supports delivery of our aim and our council plans linking them together with our values.

The post holder will be required to demonstrate the ability to perform at the following competency level 1.

[The competency framework can be found here.](#)

This job description is not intended to be either prescriptive or exhaustive. It is issued as a framework to outline the main areas of responsibility. You will be expected to carry out any other duties that may reasonably be required in line with your main duties and changing priorities of the organisation.

# Person Specification

Assessment methods used: I = Interview, P = Presentation, A = Application, E = Exercise, T = Test, AC = Assessment Centre
