- Undertake dip sampling and quality of practice (audit) work as when required to support Children and Young People Service quality assurance programme and produce written reports identifying themes and recommendations for practice improvement
- Work with others to identify, plan and carry out training, learning and development activity across Children and Young People Services. Report the findings, recommendations and develop Action Plans which can achieve the required changes within appropriate timescales
- Lead on translating findings from training, learning and development activity into training, learning and development programmes, working closely with colleagues to implement changes required to ensure improvements are measured and practice standards are raised
- Lead and support all elements of the Model of Practice including the implementation of modelling, coaching and mentoring, working with colleagues at all levels to develop a shared understanding of what good looks like
- Provide high quality, evidence based reflective supervision to all staff within the learner cohort and wider workforce as and when required
- Work alongside colleagues from across the children's system all to support a culture and environment of learning together to lift and improve practice. Providing open, transparent and objective dialogue across all levels of management surrounding practice and service delivery
- Work closely with the Quality Assurance service to ensure that all information from audit and QA activity is triangulated into an effective training, learning and development offer across the workforce
- Ensure that the voice of children and young people is evident in practice across Children's Services, drawing out themes, learning points and so contributing to practical strategies to ensure children and young people are heard

- Support the development of professional skills, knowledge, practice and performance across the children's system
- Support the development of reflective practice and critical challenge in a safe environment across the children's system
- Develop and support Practice Educators including facilitation of disruption or concerns meetings and to support PEs to access training and development opportunities
- Support the activity of the recruitment and retention strategy through sessional teaching at High Education Institutes and Further Education Colleges to attract the best quality graduates to work in Liverpool
- Undertake the role of Research in Practice Link Officer to ensure that the Local Authority makes best use of this resource to support the development of the workforce
- Contribute to the continuous professional development (CPD) requirements of all staff, and to maintain their registration status
- Contribute to and/or lead interagency training, learning and development commissioned by LSCP

Supervision and Management Responsibility:

- Ensuring activities are planned to include meaningful one to one conversations, quality appraisals, and regular workforce planning and development

Budget and Financial Responsibility:

- Being fully accountable for managing the council's resources well and complying with statutory requirements. This includes managing time, avoiding unnecessary waste, reuse and recycle resources to reduce personal impact
- Explores different options for funding and income generation

Social Value Responsibility:

- Drive for social value through all activities, ensuring wider social, economic and environmental benefits for the council, residents and communities

Physical Demands of the Job:

- This post involves both office and field work. Hence it involves sedentary work and the need to travel to appointments

Corporate Responsibility:

- Contribute to the delivery of the Council Plan
- Delivering and promoting excellent customer service, externally and internally
- Commitment to customer excellence by dealing with customer feedback, including complaints, and learning from feedback in the drive for continuous improvement
- Making the council a great place to work, living the council's values, actively engaging in regular communications including team meetings, undertaking training as required and being responsible for managing own performance
- Develop the City Council's commitment to equal opportunities and to promote non-discriminatory practices in all aspects of work undertaken
- To ensure that all work functions are undertaken in accordance with health and safety legislation, codes of practice and the City Council's safety plan

Competency Framework:

We operate a competency framework, a set of core behaviours which define how we are expected to approach our work, how we perform in certain situations and how we treat each other. Each competency details the standards of behaviours and skills

required by all staff and this in turn supports delivery of our aim and our council plans linking them together with our values.

The post holder will be required to demonstrate the ability to perform at the following competency **Level 3**.

[The competency framework can be found here.](#)

This job description is not intended to be either prescriptive or exhaustive. It is issued as a framework to outline the main areas of responsibility. You will be expected to carry out any other duties that may reasonably be required in line with your main duties and changing priorities of the organisation.
