Provide effective, quality and value for money schemes.

Directly Responsible For:

Not applicable

Directly Responsible To:

Senior Works Supervisor – Major Works

Main Areas of Responsibility:

- To check the quality of highway works implemented on the ground to ensure specifications are met, sustainability achieved and they are fit for purpose
- Assuring the completion of planned works to agreed standards and escalate any concerns to the Construction Manager, in line with agreed governance agreements
- Ensuring that all works are constructed in line with: CDM regulations, HSE Legislation, Chapter 8 requirements, Design Manual for Roads and Bridges (DMRB) and Manual of Contract Documents for Highways Works (MCHW)
- Ensuring all projects/sites comply with company health, safety, environmental and quality policies and procedures and all legislative requirements
- Defining overall team workload, planning and allocating day-to-day work priorities and allocation of manpower for daily tasks
- To coordinate with other Council teams to ensure all approvals are obtained in a timely manner
- To draft authority reports as and when required and manage approval process, ensuring governance processes are strictly followed
- To ensure management and members are updated with progress and to provide detailed update reports
- To input into the management and monitoring of the Highways maintenance elements of the Transport and Highways Capital Programme, by ensuring schemes are delivered to agreed timescales and costs
- Ensuring Project Managers receive regular and timely feedback on scheme construction progress, risks, early warnings, design related issues, and act as

the initial point of escalation for any on-site issues that need to be resolved

- Maintaining good liaison with Project Managers and Commercial & Procurement colleagues, providing relevant and timely information on Early Warnings and Compensation Events

Supervision and Management Responsibility:

- Not applicable

Budget and Financial Responsibility:

- Being fully accountable for the effective management and control of delegated capital and revenue budgets in the delivery of the Council's strategic objectives and policies
- Complying with all statutory requirements, Standing Orders and Financial Regulations of the City Council, and being responsible for making sure that all those you manage also comply with such requirements
- Maintaining a close control of their delegated revenue and capital budgets, stewardship of assets and reporting any financial risks
- Maintaining up to date financial records on the Corporate Finance System
- Have regard for and use of relevant performance and financial benchmarking data as part of business planning to identify opportunities for improved value for money
- Bringing to the timely attention of the relevant line manager any material issues that might impact on the financial performance or financial management arrangements of the Council

Social Value Responsibility:

- Drive for social value through all activities, ensuring wider social, economic and environmental benefits for the council, residents and communities

Physical Demands of the Job:

- Undertaking site visits when required, even during adverse weather conditions
- This role is a safety critical post therefore you may be required to work unsocial hours including nights and weekends

Corporate Responsibility:

- Contribute to the delivery of the Council Plan.
- Delivering and promoting excellent customer service, externally and internally
- Making the council a great place to work, living the council's values, actively engaging in regular communications including team meetings, undertaking training as required and being responsible for managing own performance
- Develop the City Council's commitment to equal opportunities and to promote non-discriminatory practices in all aspects of work undertaken
- To ensure that all work functions are undertaken in accordance with health and safety legislation, codes of practice and the City Council's safety plan

Competency Framework:

We operate a competency framework, a set of core behaviours which define how we are expected to approach our work, how we perform in certain situations and how we treat each other. Each competency details the standards of behaviours and skills required by all staff and this in turn supports delivery of our aim and our council plans linking them together with our values.

The post holder will be required to demonstrate the ability to perform at the following competency level 2.
